

## “The Few, The Proud” United States Marine Corps Astronauts Patch

Inspired by the camaraderie of the Armed Services and in response to the Navy and USAF patches, One Giant Leap asked patch artist Tim Gagnon of Titusville, FL to create a U.S. Marine Corps Astronauts patch for those men and soon to be woman who have flown in space.

This fully embroidered 4.5 inch patch is stunning in Navy Blue, Red, White and Gold. It depicts the USMC Eagle and Anchor along with the Earth as seen from space. All of the programs from Mercury through the Shuttle and now the ISS are depicted. The One Giant Leap initials are ghost stitched into the background.

The patch is a limited edition fundraiser for One Giant Leap, Inc. and is \$25.00

Shipping is additional via USPS Priority Mail. Domestic add \$5.50 International add \$15.00

I accept Paypal. If you choose that option add 6% to your order total to cover their fees.

Please print and send in this form along with your purchase order to:
