

## “Join Us and See the World” U.S. Navy Shuttle & Station Astronauts Patch

Inspired by the camaraderie of the Armed Services and in response to the “ISS is Army Strong” patch, One Giant Leap asked patch artist Tim Gagnon of Titusville, FL to create a U.S. Navy Astronauts patch for those men and women who have flown aboard the Space Shuttle and International Space Station, ISS.

This fully embroidered patch is stunning in Navy Blue, White and Gold. It depicts the ISS in orbit above the Earth. The two spacecraft that Navy Astronauts have flown to assemble, service and serve on the ISS are depicted. Arriving is the Russian Soyuz and departing is the US Space Shuttle.

The nine stars represent the nine U.S. Navy Astronauts who have served aboard the ISS. All U.S. Navy Captains they are: William Shepherd, Frank Culbertson, Daniel Bursch, Ken Bowersox, John Phillips, Michael Lopez-Alegria, Sunita Williams, Scott Kelly and soon to serve, Christopher Cassidy.

The patch is a limited edition fundraiser for One Giant Leap, Inc. and is \$25.00

Shipping is additional via USPS Priority Mail. Domestic add \$5.50 International add \$15.00
