NEW PATCH ALERT 2016-2 GEMINI PROGRAM 10" 50th ANNIV. COMMEMORATIVE

GEMINI PROGRAM 10 inch 50TH ANNIVERSARY Commemorative

When I unveiled my Gemini Program 8 inch patch in 2008, I was gratified by the reception it received. For the 50th anniversary of the program that answered so many challenges I wanted to update that design. I increased the size from 8 inches to 10 inches, larger than Mercury but smaller than Apollo. I listed the crews as they flew mirroring their mission symbols. Then inspired by the HBO series: FTETTM I depicted a Gemini mission orbiting the Earth with the EVA crew member looking out towards the Moon. NOTE: Though not depicted in this sample, astronauts who served during Gemini will be honored in the final patch.

Unless noted these designs were created by Tim Gagnon of Titusville, FL and Jorge Cartes of Madrid, Spain.
