NEW PATCH ALERT 2014-6 APOLLO 11 45th ANNIVERSARY COMMEMORATIVE

APOLLO 11 45th ANNIVERSARY COMMEMORATIVE

This patch celebrates the mission of Apollo 11 which flew in July 16-24, 1969. The mission is still considered as the pinnacle of space exploration achievement. The art style of the patch attempts to pay tribute to the official mission patch. The American Bald Eagle swoops low over Tranquility Base. The US Flag, olive branch and footprint indicate that it has been visited by mankind. This will be a limited edition of not more than 250 and there will be no consideration of a repeated release until 2019.

This design was created by Tim Gagnon of Florida and Jorge Cartes of Madrid, SPAIN.
