## NEW PATCH ALERT 2016-12

### APOLLO 1 OFFICIAL 50TH Anniversary Commemorative

PATCH DETAIL

#### **Apollo 1 Official 50th Anniversary Commemorative**

I have long held that the Apollo Program would not have succeeded without the sacrifice of the Apollo 1 crew. That accident laid bare the flaws in the spacecraft and the effort to return to flight made the spacecraft better and safer.

I was commissioned by the families to design the "Official" 50<sup>th</sup> Anniversary Commemorative. It will be made by the NASA contractor but my supporters will get the best possible rendition of this special patch. The image shown is NOT the patch, but a small detail of it.

I expect this may very well be my most popular patch of 2017. It will be made next year and then not again by me until 20122. **It will not ship until January 15<sup>th</sup>, 2017.**

Unless noted these designs were created by Tim Gagnon of Titusville, FL and Jorge Cartes of Madrid, Spain.
