NEW PATCH ALERT 2016-10 OV-101 Enterprise 40th Anniversary

Enterprise 40th 5 inch patch

Enterprise 40th 3 inch patch

Enterprise 40th Anniversary Commemorative

September 17th will be the 40th Anniversary of the "unveiling" of OV-101 Enterprise. As you are no doubt aware it was originally to be named "Constitution" but the fans of Star Trek petitioned the White House to change the name. September 17th is also known as "Constitution Day." So it was appropriate to unveil Enterprise on that day during our Bicentennial Year. It is also my birthday.

I couldn't allow the anniversary to pass without celebrating it. So attached you'll see my Enterprise Commemorative. I recently attended Buzz Aldrin's ShareSpace Foundation Apollo 11 anniversary gala at KSC and presented the first prototype of this patch to George Takei. I told him he was there when it was revealed to the world, he should have the first patch.

Unless noted these designs were created by Tim Gagnon of Titusville, FL and Jorge Cartes of Madrid, Spain.
